Annual Report 2023-24

Vision without action is merely a dream!

Action without Vision just passes the time!

Vision with Action can change the world!

It's with great pride and joy we welcome you this morning/evening and I feel privileged to present the annual report for the year 2023- 24. Each chapter is a new beginning. The past that we can learn from, means a future we win. I am here to take you through what we have achieved in this academic year.

Sri Chaitanya Techno Schools is a result of a vision seen by the visionary couple, Founder Members Dr B.S Rao Sir & Dr Jhansi Laxmi Bai Madam.

Like little drops makes the mighty ocean, Sri Chaitanya which started as junior college for girls in Vijayawada, 3 decades ago is now spread in 8 states under the able leadership of the young directors Ms Sushma Bopanna ma'am, Ms Seema Bopanna ma'am & Mr Nagendra sir.

Carrying the legacy forward and helping the chain of schools and colleges to reach echelons of success in Karnataka State, is our CEO Mr Sunil Sir.

We have a strong resource team exclusively for Primary and High School, Primary resource team is headed by the Primary Academic Coordinator Ms Pushpa Valli Ma'am and High School resource team is headed by High School Academic Director Mr Satish Sir who constantly improvise our curriculum and train teachers to upgrade their teaching methodologies through workshops. They are the architects of our academic excellence.

Success is sum of small efforts, repeated day in and day out! This is the success mantra we follow at Sri Chaitanya! We are very proud to bring it to your notice that this year Sri Chaitanya students have achieved 1st Rank in JEE-Mains, JEE-Advanced and NEET. No other institution has achieved such an accolade in the education field. Just when we were rejoicing this unique achievement, our founder Dr B S Rao garu breathed his last on 13th July 2023.

Though Dr B S Rao sir is no more with us, his vision and path shown has guided thousands of students to achieve their dreams and will continue to do so forever.

The Strong Administration is the key to take forward the innovations and plans of the Management. We are lead, supported and guided by our AGM Mr Ram Kumar Sir, Our Principal Ms Bhavani Ma'am, Vice Principal - Ms Ayesha Ma'am, Zonal Dean - Mr Raj Kumar Sir, Zonal Coordinators - Rashmi Rao Ma'am and Joyce Ma'am, Academic Dean Ms Lilly Ma'am and our Primary Facilitators Indira Ma'am and Sumathi Ma'am.

Staying updated is the key to any field especially in the field of Education. Our teachers constantly strive to stay updated by attending workshops and various training programmes.

We are fortunate to have well trained, experienced and passionate Teaching staff.

We are blessed to have dedicated and responsible administrative staff and support staff.

Our Campuses have well equipped labs and upgraded infra Structure.

The annual report showcases our quest for excellence. Our School has always been committed to create an environment that helps the young minds to blossom and provides a platform for individual thinking and holistic development of the students' personality.

How are we different

- 1. K5 academics curriculum offers two programmes called Young learner's programme which we follow from Kindergarten to Grade 5 is a mix of Scholastic & Co-Scholastic activities catering to holistic development of our young learners and Mavericks curriculum has a radical approach of teaching which involves 6C method, and has features of multi age sessions, Learning Simulation studios which contributes to develop 21st century skills in our Young Minds.*
- 2. In High School we continue with CBSE and Techno Syllabus which enhances the competitive skills in Students to face the challenging entrance and scholarship exams.*
- 3. To be at par with technological innovations happening across the education sector we have come up with LMS Apps like Infinity Meta App for all the students.*
- 4. We are happy to be associated with Wizklub, which offers research-based education program designed to develop futuristic skills across comprehension, critical thinking and aptitude in students. These programs are designed to build Higher Order Thinking skills (HOTS) and introduce us to new age technology that helps us to analyze, synthesize, evaluate, interpret and solve problems at complex level.*

5. In order to build every child's confidence and self-esteem and to inspire a love for learning the soft skill sessions are added to the curriculum.
6. In the starting of this academic year we identified learning gaps in students and conducted 100 day programme for students who needed hand holding in LSRW skills and basic Math. This unique programme is called 'Progressive learners' programme. This programme has really helped them to move up the curve..
7. We believe that Sports are a crucial part of a student's growth and development. They help in the development of both mental and physical fitness. Hence we make sure that Mass drill classes and Games periods are conducted every week. Every year we celebrate National Sports day to instil the competitive spirit in students.

Our Curriculum is the right mix of Scholastic and Co -Scholastic activities. Adhering to CBSE method of activity based teaching we involve students in subject related activities and also Co -Scholastic activities like Project of the month, Competition of the month, Virtual tours in Primary wing.

A set of fun filled and thought-provoking activities for primary students are included in Kids Club Activities like Creative Prodigies related to Art and Craft, Amber Minds club related to Science, Young Orators club to enhance the communication skills and mighty Militants Club which is related to Sports. These Club activities are conducted on Fridays or Saturdays.

Igniting Minds is one such initiative of Sri Chaitanya to bring in our own magazine for children. It is the platform to recognise and appreciate the talents of our children. We encourage students to send their entries for the columns like Budding Writer, Budding Artist, Voice from the Heart and Think Big.

Events and Celebrations

Events allow a platform of creativity and promote the important cause as well.

Investiture

Leadership and learning are indispensable to each other.

To take the essence of democracy to students, first we divided the school into 4 houses and conducted student council elections in the month of July. The Investiture Ceremony was conducted and the students took over their positions as the council members.

Smart Living Programme

In High School we conduct theme based activities under Smart Living Programme every month. To name a few are nutrition week, theme Be healthy, Be happy, Safety on road, and Jai Ho Bharath. The current month's theme is about Agriculture Practices Jai Kisaan - Jai Bharat. Students are involved in competitions like poster making, essay writing and house board updation based on the theme every month.

Adoption programme

Students are part of adoption programme which helps teacher to understand the challenges the child is facing at academics and emotional front. Every fortnight the adoption teacher calls the parent and discusses about the child's progress and documents necessary findings as remarks. This will help the further steps to be taken to groom the student in the right way.

NASA

Space is one such topic which creates curiosity in each one of us.

At Sri Chaitanya we encourage our high school and Middle school students to present a project or a paper presentation under NASA SPACE SETTLEMENT PROGRAMME.

This year 8 teams worked on a yearlong project and submitted the same online recently. This year's topic is **Alternate Living. (Space hotel, colonies and mining)** We are awaiting the results.

Other Events

We conduct many more events to make sure the gist and purpose of the event reaches the students. To name some are Environment day, International Yoda day, Hindi Diwas, Kannada Rajyotsava, National Sports Day, National Unity Day, Martyr's Day and Math Day were conducted with funfilled activities and we are heading towards Events like I-Quest, English day and Science day in upcoming days.

To have a better understanding about the programmes run and to give a heads up about any updates, PTMs and Open house meets are conducted for Parents regularly.

Parallel Academic programmes like Motivational Speaker programme, Progressive learners programme, Soft Skills Sessions, Formula based tests, Calligraphy Sessions and Vedic Math Sessions are conducted to compliment the regular academics.

Health Camp

A health camp , Eye check up and dental check up in alliance with Lions club was conducted at our school

Field trips are an authentic learning experience its an opportunity for students to bond together as a learning community. We are glad to share that we went to Dream land resort/Jolluy wood studios for a field. We enjoyed like never before.

Celebrations

Celebrations are an opportunity to bring people together, they are the reminders of our culture, tradition, heritage and values.

National Festivals like Independence day and Republic day are celebrated at our school to pay our tribute to our freedom fighters. Students showcased their patriotism through patriotic songs and dances depicting our culture. Students also participated in mass drill, Musical Aerobics, Karate display and Pyramid formations.

All the major festivals and days of significance are celebrated at our school through organising Special Assembly and take home activities. Festivals like Ganesh Chaturthi, Krishna Janmashtami, Dussehra, Diwali and Christmas were great enthusiasm.

High School Students organized a great show dedicated to all teachers for Teacher's day and was thoroughly enjoyed by all the teachers.

Teachers reciprocated with an excellent programme for Children on Children's day.

Teachers created some wonderful memories of which we will cherish for many years.

For Parents

Parents play an important role in the right upbringing of the child along with School. We were over whelmed with the participation of parents in Mehendi, Ramp walk and Lucida handwriting competitions conducted on account of Dussehra Celebrations.

Achievements

Only those who dare to fall greatly can ever achieve greatly!

Our school has yet again produced an outstanding board results in class X and we are happy to announce that we achieved 100% Pass percentage in the last academic year.

Below students have showcased outstanding performance in INTSO and UCO Exams:-

INTSO

This year as well, we are very happy to announce the numbers of students who have qualified for 2nd level INTSO exams grade wise.

In MTSO - 21 students in Grade 7, 31 students in Grade 6, 17 students in Grade 5, 13 students in Grade 4, 11 students in Grade 3, 20 students in Grade 8, 5 students in Grade 9 have qualified for 2nd level.

In STSO - 24 students in Grade 7, 24 students in Grade 6, 18 students in Grade 5, 13 students in Grade 4, 13 students in Grade 3, 20 students in Grade 8, 5 students in Grade 9 have qualified for 2nd level.

In ATSO - 5 students in High school have qualified for 2nd level.

In ETSO - 4 students in Grade 7, 4 students in Grade 6, 7 students in Grade 5, 2 students in Grade 4, 2 students in Grade 3, 2 students in Grade 8, 1 student in Grade 9 have qualified for 2nd level.

In GTSO - 1 student in Grade 7, 2 students in Grade 6, 5 students in Grade 5, 2 students in Grade 4, 5 students in Grade 3, 1 student in Grade 8, 1 student in Grade 9 have qualified for 2nd level.

Many milestones have been achieved and many still have to be reached. We at Sri Chaitanya will continue our unceasing efforts to mould as into well balanced personalities with confidence and zeal befitting the standards of this portal of education.

This report is a sincere attempt to showcase our schools progress in terms of achievement and activities during the year.

Our Team

We set our own standards, strive to reach them and elevate ourselves to higher planes. The learning, the evolving and the efforts will never cease.

With clear vision and determination to act, we as one team strive to excel in all our endeavours and scale greater heights.

Thank You
