

ANNUAL REPORT 2023-24

Sri Chaitanya first surfaces on the academic horizon in the year 1986 by B.S. Rao with his wife Jhansi Lakshmi bhai and within a span of 35 years went on to become Asia's largest education group.

The past three and a half decades witnessed, Sri Chaitanya introducing novel academic programs that have helped thousands of students achieve their dreams in their life. I feel very proud to be part of such an amazing institution.

Today Sri Chaitanya stands as the force behind creating countless world class doctors, Engineers, IAS officers, Chartered accountants and others.

The annual report showcases the achievements and glories of our school. I'm happy to share the details of the commendable performances of our students.

Pre Primary

I wish to add our performance on the academic and co-curricular achievements of our preprimary segment of Sri Chaitanya.

"This is where an active body develops a creative mind".

"The light of your life" is child's journey towards formal education STAR KIDS is not limited to academic education, but a holistic approach to overall development inclusive of physical, mental, social, emotional and cognitive along with intellectual progress.

Preprimary education in SCTS is the combination of nursery and kinder garden programme.

Curriculum is designed with focus on the

1. Learning domain
2. Developmental domains

All our syllabus outcomes are based on literacy skills, numeracy skills and general awareness.

I wish to list out activities and celebrations done at preprimary level of our school.

We have conducted the competitions like

Once upon a time ,silly hat, The great explorer,Natures bounty and movie magic

and all our students were actively participated.

Most remarkable Project day of our young challengers are here,

- My story book * Message of appreciation ,*National art symbols,*zoom in the plants,* Animal graphing.

All our kids participated enthusiastically and won the prizes in different levels. This academic year we went Rail museum for the field trip.

Primary Department

YLP (Young Learner Programme)

The school aims at holistic education encompassing the development of all domains of the students. The teaching technique implemented is student friendly and highly competitive and the academic environment of the school is inspiring and motivating.

Academics:

Primary department has been divided into two categories.

- * Lower primary
- * Upper primary

Lower primary concentrates on Abacus, Lucida handwriting

Upper primary concentrates on Competitive exams like Olympiad, mathlathon, abacus, math corner – tables.

LSP – Learners Strengthening Programme, That is 100 days Programme:

We also pay attention to which students have difficulty with processing the logic of sentences,reading,writing,listening and speaking due to the pandemic situation. For that students we positively try to improve them with their skills in the ratio of 1:5 in the evening study hour..

Importance of Lucida

Handwriting is not just about conveying the information in the form of letters. It reflects students focus, clarity in thinking, discipline and other aspects.

Curves and lines used in Lucida make letter not just legible, but beautiful.

CCA and ECA

We concentrate on extra – curricular and co – curricular activities such as,

- * Music
- * Dance
- * Karate
- * Art & Craft.
- * skating

Extra curricular activities provide a channel for reinforcing the lessons learned in the classroom.

Our primary children very much interested to do the academic activities like project day, competition and virtual tour for monthly once.

Club activities

We also have club activities like,

- * Creative prodigies
- * Amber minds
- * Young orator
- * Mighty militants.

Students Exposure:

Timon antony grade-1 won 1st and 3rd place in 5th national hiwashi karate championship 2023.

- **Dhriti dinodia class 5th secured First place in Tamilnadu state level drawing competition .**
- **Ajaidev class 5 state level karate championship secured First place.**
- **Yokesh from class 4 Achieved sigaram world record for solved 16000+ mathematical abacus sums with in 5min.**
- **Taswin karthick from class 5 secured first place in State level Kunkufu.**

Events & celebrations:

We also celebrated events at the primary level in Sri Chaitanya Poonamallee branch. It's started with,

- * National reading day
- * Yoga day

- * Social day
- * Tamilnadu day
- * Adi perukku
- * Independence day, Onam, and Rakshabandan
- * krishnajayanthi
- * Dussehra & Gandhi Jayanthi
- * Teachers day celebration
- * Diwali celebration
- * Hindi diwas,
- * Childrens day celebration
- * International math day
- * Christmas celebration

Competitions: I Quest we are going to conduct

- The contest is open to students according to their age group. Everyone is encouraged to participate. This is perfect opportunity for students to excel theirs skills in their preferred area.
- In this I-Quest we have various domains like,
- Young orator
- Creative showbiz
- Creative Maestros
- Fitness regime
- Intellikid
- The Competition will be held in 3 levels
 - School level
 - Zonal level
 - State level

High School:

Our high school Education curriculum on professionals out of students by instilling in them career-oriented approach to academics.

Every child has innate capabilities that help him/her shine. Our expert faculties provide the right guidance to bring out these latent qualities, transforming the student into successful individuals.

We had Techno, C-batch, and Co-IPL programme is a unique one with an orientation of enabling the students take up to the task of getting selected for prestigious IIT's, NIIT's, AIIMS, JIPMER, AIPMD, DEEMED UNIVERSITIES and other medical and engineering institutes and other stream with ease and comfort.

Smart living is a trend encompassing advancements that give people the opportunity to benefit from new ways of living. It involves original and innovative solutions aimed at making life more efficient, more controllable, economical, productive, integrated and sustainable.

In our school this academic year, we had

- Haritha bharath
- Jaiho bharath
- Be healthy be happy
- Road safety
- Jaihissan jaibharath

The project presented brings this knowledge to children and parents and even to teachers through seminars, speech competition, drawing competition, essay writing competition and rally. Where students very enthusiastically participated and came out with different talents.

Objectives pursued through smart living programme.

- * To build a healthy, strong, agile body and to achieve a balanced mind and emotional development.
- * To develop and enable different mental and psychological abilities.
- * Implementation of healthy living habits.

- * Enabling human values and human relations.
- * Children will develop a whole set of human values such as peace, joy, love, integrity, truth and equality which is the main goal of this program.
- * The health camps aims to conduct health screening of all the children with the help of volunteers and doctors. In our school we had health camp and all our students were participated eagerly.
- * Regular, open communication and consultation is highly valued at “Sri Chaitanya , Poonamallee branch”. The open forum and parent teachers meeting aims to represent the views of all parents and to be a voice to inform our school of the needs of children, families and our wider community.
- * Going camping with teachers and their class mates provide different experiences in each student.

All our high school students had a new opportunity to enjoy a trip along with their friends and teachers.

- * Food also plays an important part in how we celebrate. The idea of food festival is primarily to re-integrate value back into food systems and food culture. All our high school students had an opportunity in reviving their traditional food practices and become aware of its importance through our food fiesta.
- * All our students are excellent and equipped to attend all the Olympiad exams such as
 - * KAT
 - * INTSO, for CO-IPL we had IAPET, IOQM
 and successfully students achieved in different levels.
- * This year our students were involved themselves in NASA projects on space craft.
- This academic year students went to Dubai for educational tour and had a good experience along with other branch Sri Chaitanya students.

Sports:

“Sports build good habit, confidence and discipline. They make players into leaders”.

Here at Sri Chaitanya create a team of leaders with powerful winning spirits.

- On August 1th 2023, Students had participated Chennai District level football tournament.
- Students of high school went to Mumbai for international karate competition.
- All the students were awarded with participation certificate and winning students were awarded with gold, silver and bronze medals respectively.

Finally in general we have celebrated all religious programs were out students happily and actively participated irrespective of their own religion.

To teach our children on age old traditions, culture and values. We in Sri Chaitanya, Poonamallee organized and conducted festivals such as,

- Environmental day
- Raksha bandhan
- Ayudha pooja
- Ganesh Chaturthi
- Dussehra
- Ramzan
- Diwali

and to induce the values of sacrifice made towards our independence, we also celebrated independence day.

Investiture ceremony:

Our school office bearers were officially sworn in a very impressive investiture ceremony on August 15th 2023. The cabinet was lead by our Head boy Master: Manikandan Head girl Miss: Chaitanya from class 9th.

MEDICAL CAMP:

An Eye camp was conducted by the Doctors from Agarwal, Dental camp was conducted by Dentstree team and Kavery hospital for general medical. Students and parents were utilized the medical camp.

Field trip:

This year students enjoyed their field in MGM dizeeworld.

Our high student Prajith.R.p 7th techno won first prize in vedic maths and Pranav devadharsan class 10 won cash award in vision 2050 art contest.

milestones have achieved and many still to be reached”

We at Sri Chaitanya will continue our unceasing efforts to mould the young minds into well balanced personalities with confidence and zeal be fitting the standard of this portal of education.

This report is a sincere attempt to showcase our progress in terms of achievements and activities during the years.

We humbly salute our visionary leaders of the past and great ones of the present seek divine grace and blessings to guide us in all our endeavors.

I would like to conclude by quoting our school motto “To elevate & carriers form mediocre to the professional.

I hope you will enjoy today’s EUPHORIA-2K23 FEEL OF HAPPINESS being presented by our students.
